  - Mtg about problems in the DAC
  - Cafeteria project-Setting up mtg about complaints
    - Lack of access to bathrooms
- Article in the Triangle students getting jobs with Ross Commons and Creese not entirely true
- Signs for shuttle stops- May happen pretty quickly
- Info packet that goes to intl. Students – housing over holiday break
- Philly Car Share – 1 car – around 34th street starting in Fall
- Bookstore Manager to get in touch with Faculty Senate – Get books in early
- Seher and Chris on allocation committee for office space
- Thanks to those who came to alumni weekend
- Getting more mixer type things for upcoming year for current students with Alum
- University Traffic study at 33rd and 34th – agreement with PVCA to see which streets would be best to close

### **Individual Reports**

- Ali and Stephanie
  - Were the student portion of “Behind every graduate”. Each graduation will recognize 1 HS teacher. They want to get more word out for next year
  - Teacher still has to be at the school
  - Advertising and word of mouth; maybe by advisors also
- Stacey
  - Pictures for CI<sup>2</sup> were passed around
  - Wasn't our first choice b/c students were assigned the project before we were given the option
  - Was suppose to be somewhere else but is located in front of DAC

- 2nd half of CI<sup>2</sup> project will be putting more bike racks up
- We requested an engraving/plaque since we are funding this
- Strips put down where renovation is being done so it is not slippery
- Kelly Hall- Start replacing stall partitions once paperwork goes through
- Next Spring kids will be moved out of Kelly to new dorm
- Want to notify them about upcoming project
- Public Safety – Start a secret shopper type program – Pulling fire alarms and safety lights; Survey put out by us
- Wooden and Orange Barriers are being moved so that needs to be fixed

-Priyanka

- Multicultural Center– At Newman Center – Writing up proposal on why this is needed
- Next year keep on proposal for longer Caf hours
- When does paperwork need to be handed in for a student org for 06-07 school year? Go to dean of Students Suite...Just started...After 3 months you can get a reserve

### **President's Corner**

- Board of Trustees Mtg Wed. – Mike will be speaking about our accomplishments for this year
- Drexel Survey Results – Will be passed on to Provost Office
- If anyone is going to be involved in Student Life next year contact Andy about presenting these results
- Make Drexel One Portal Easier
- Mtg with Dan Simmons discussed some of things DAC will be doing
  - Replacing cardio eqpt.- Will get replaced every 2-3 years
  - Replacing Machine weights
  - New dumbbells
  - Activity Rooms – Now have stereo in there
  - Trying to close at midnight but want to do a survey through us
  - Library is being used late at night
  - Advertise new eqpt. in the gym
  - Notice for all who are doing purchases – Schedule for end of fiscal year

### **New Business**

- SAFAC: We got \$7,000 out of \$16,000 we asked for -> Appealing
- Pretty conservative with everyone

### **Old Business**

- Student Activity Fee: Throw extra money into SAFAC pot (either appeal/reserve)
- Raise fee for 07-08 but finalize soon
- Prelim agreement to increase fee by \$150 (100-MPF(Recreation fee) and 50-SAFAC)
- Make DAC bigger
- Armory will be basketball and offices
- Co-op nursing class is Main Campus – Everything else down there in CC

### **2nd 5 minute Open Period**

## **Officer Roll Call**
